## Wonderwall

Oasis

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do about you now

Backbeat, the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody  
Feels the way I do about you now

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I  
Would like to say to you but I don't know how

Because maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do about you now

And all the roads that lead you there were winding  
And all the lights that light the way are blinding  
There are many things that I  
Would like to say to you but I don't know how

I said maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

I said maybe (I said maybe)  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

I said maybe (I said maybe)  
You're gonna be the one that saves me (saves me)  
You're gonna be the one that saves me (that saves me)  
You're gonna be the one that saves me (that saves me)

## Live Forever

Oasis

Oh yeah

Maybe I don't really wanna know  
How your garden grows  
'Cause I just wanna fly  
Lately, did you ever feel the pain  
In the morning rain  
As it soaks you to the bone?

Maybe I just wanna fly  
Wanna live, I don't wanna die  
Maybe I just wanna breathe  
Maybe I just don't believe  
Maybe you're the same as me  
We see things they'll never see  
You and I are gonna live forever

I said maybe I don't really wanna know  
How your garden grows  
'Cause I just wanna fly  
Lately, did you ever feel the pain  
In the morning rain  
As it soaks you to the bone?

Maybe I will never be  
All the things that I wanna be  
Now is not the time to cry  
Now's the time to find out why  
I think you're the same as me  
We see things they'll never see  
You and I are gonna live forever

Maybe I don't really wanna know  
How your garden grows  
'Cause I just wanna fly  
Lately, did you ever feel the pain  
In the morning rain  
As it soaks you to the bone?

Maybe I just wanna fly  
Wanna live, I don't wanna die  
Maybe I just wanna breathe  
Maybe I just don't believe  
Maybe you're the same as me  
We see things they'll never see  
You and I are gonna live forever

Gonna live forever  
Gonna live forever  
We're gonna live forever  
Gonna live forever  
Gonna live forever  
Gonna live forever
